Dear Vincent,

I would like to personally thank you for Approved Oil Co of Brooklyn, Inc's very generous gift of \$1,000 to the Flushing YMCA's 2016 Annual Campaign.

It is supporters like you who give the YMCA the strength and the capacity to tackle many of the greatest challenges facing our young people, our health, and our communities.

Whether it's keeping children safe during the afterschool hours, helping an individual struggling with health challenges or creating successful college and career pathways for young adults – you enable the Y to be a trustworthy resource for children and families in New York City.

The YMCA has been an essential part of New York City life for over 160 years. Our consistency, stability, and longevity as a community service organization ensure that your investment will have the greatest possible impact.

I am also pleased to recognize you as a member of the Chair's Round Table, our group of generous donors who share a commitment to provide a better future for our City. Additional information about the Chair's Round Table will be sent under separate cover.

We are all very grateful for Approved Oil Co of Brooklyn, Inc's generosity and confidence in our work.

With sincere thanks,

Sharon Greenberger
